

**Charter  
Audit Committee  
Evolent Health, Inc.**

The Board (the “Board”) of Evolent Health, Inc. (the “Corporation”) has adopted this charter for its Audit Committee (the “Committee”).

**Composition**

**Number and Qualifications.** The Committee shall have at least three members. Each Director who serves on the Committee must be affirmatively determined by the Board to satisfy the requirements established by the Corporation’s Corporate Governance Guidelines, as well as by the New York Stock Exchange, to be considered an “independent” member of the Board. Except as otherwise permitted by applicable phase-in rules and exemptions, the Board must determine that each member of the Committee satisfies the requirements governing independence of audit committee members established by the New York Stock Exchange and Securities and Exchange Commission (the “SEC”), including those issued pursuant to Rule 10A-3 of the Securities Exchange Act of 1934.

In addition to satisfying the foregoing independence requirements, each member of the Committee must be financially literate, and at least one member of the Committee must have accounting or related financial management expertise and satisfy the criteria to be an audit committee financial expert under the rules and regulations of the SEC, as those qualifications are interpreted by the Board.

No Committee member shall serve on the audit committees of more than two other public companies at the same time as he or she serves on this Committee, unless the Board specifically determines that such service would not impair the ability of an existing or prospective Committee member to serve effectively on the Committee. Further, each prospective Committee member shall evaluate carefully the existing demands on his or her time before accepting appointment or re-appointment to the Committee.

**Appointment.** The Board, upon the recommendation of its Nominating and Governance Committee, shall elect the chairman and other members of the Committee on an annual basis, generally at the first meeting of the Board following the Corporation’s annual stockholders meeting.

**Removal.** The Board may, pursuant to the By-laws, remove a member of the Committee, or replace the chairman, provided that the Board must, at all times, assure that the Committee will have, as soon as practicable, a chairman and sufficient members to satisfy the requirements set forth above relating to the number and qualifications of Committee members.

**Purpose**

The Committee’s purpose is to assist the Board in fulfilling its responsibilities to the shareholders, by assisting in the Board’s oversight of: the quality and integrity of the

Corporation's financial statements and accounting practices, the Corporation's compliance with legal and regulatory requirements, the qualifications and independence of the Independent Auditor (as defined below), and the performance of the Corporation's Internal Auditor (as defined below), internal audit function, and Independent Auditor. In addition, the Committee assists the Board in connection with the Corporation's financial structure and strategy. The Committee also provides assistance to the Board by performing certain functions in connection with reports of material violations of securities laws, material breaches of fiduciary duties, and similar violations by the Corporation, and investigations related to such reports. Further, the Committee shall produce the Committee's report to be included in the Corporation's annual proxy statement.

### **Responsibilities**
